The sun is shining, there's plenty of light  
(Oh, yeah)  
A new day is dawning, sunny and bright  
(Oh, yeah)  
But after I've been crying all night  
The sun is cold and the new day seems old

Since I lost my baby  
(Since I lost my baby)  
Oh, since I lost my baby  
(Oh, since I lost my baby)

The birds are singing and the children are playing  
There's plenty of work and the bosses are paying  
Not a sad word should a young heart be saying  
But fun is a bore and with money I'm poor

Since I lost my baby  
(Since I lost my baby)  
Oh, since I lost my baby  
(Oh, since I lost my baby)

Next time I'll be kinder  
(Next time I'll be kinder)  
Won't you please help me find her?  
(Won't you please help me find her?)

Someone just remind her  
(Someone just remind her)  
Of this love she left behind her  
(Of this love she left behind her)

Till I find her I'll be trying ta  
(Till I find her I'll be trying ta)  
Everyday I'm more inclined ta  
Find her

Inclined ta  
Find her  
Inclined ta find my baby  
Been looking everywhere  
(Baby)

Baby, I really, really care

Oh, determination is fading fast

(Oh, yeah)

Inspiration is a thing of the past

(Oh, yeah)

Can't see how my hope's gonna last

Good things are bad and what's happy is sad

Since I lost my baby

(Since I lost my baby)

Oh, since I lost my baby

(Oh, since I lost my baby)

I feel so bad

(Since I lost my baby)

I feel so sad

(Since I lost my baby)

Everything is wrong

This heart is hard to carry on

(Since I lost my baby)

I'm lost as can be

(Since I lost my baby)

What's gonna happen to me?
