Somethin' Special

The Temptations CD "Legacy"

Talking: Say baby, Would you do something for me?

you know that dress I like?

Put it on. And let's do somethin' real special.

Verse 1:

I've been thinking just how beautiful you are, you take  
good care of me

And I thank you ( I thank you), Girl I notice every single  
thing you do

God gave me a baby, every since he gave you

Chorus:

Ooh! You make sure that I have everything I need, baby

To hold me over till you're right back here with me,  
right back with me

I put aside this night for only me and you, baby

To let you know that I appreciate you

Girl tonight, i wanna show you somethin' special

A little candle light, we're gonna float across the floor

I adore ya

Girl tonight, i wanna show you somethin' special

Put on the dress i like, we're gonna float across the  
floor

Don't you know that i adore ya

Verse 2:

Never stress me, always there for me, always care

So i look foreward to come home seeing you there

Ain't no way i'm ever gone let you go

Spending the rest of my life letting you know

Chorus:

Ooh! You make sure that I have everything I need, baby

To hold me over till you're right back here with me,  
right back with me

I put aside this night for only me and you, baby

To let you know that I appreciate you

Girl tonight, i wanna show you somethin' special

A little candle light, we're gonna float across the floor

I adore ya

Girl tonight, i wanna show you somethin' special

Put on the dress i like, we're gonna float across the  
floor

Don't you know that i adore ya

Verse 3:

Come on baby, got a little candle light  
Got the wine sitting on the table, i'm ready to treat you  
right  
I know what you want, girl i know what you need  
You need a little love and company  
Coming straight from me  
Ooh! Baby! i'm gonna put on my dancing shoes  
I'm gonna love all over you  
Girl tonight, ooh, i'm gonna let you let down your hair  
I'm gonna kiss you everywhere  
Girl tonight, i wanna show you somethin' special ( Oh  
baby, come here)  
A little candle light, we're gonna float across the floor  
I adore ya  
Girl tonight, i wanna show you somethin' special  
Put on the dress i like, we're gonna float across the  
floor  
Don't you know that i adore ya  
(Oh yeah)
