"Soul To Soul"

Visit "[Soul To Soul](#)" on [MotoLyrics.com](#)

Notes the words in the brackets are sung in the background.

Mmmmmh..mmmmh..mmmmh
Mmmh..mmmh..mmmh
Mmmmmh..mmmh..mmmh..mmmh..mmmh(mmmh)
Soul to Soul (Soul to soul)
Soooul mmmh..mmmh..mmmmmmh
Oh whoa whoa (soul to soul)

Picked some newspaper
At my feet
We go blowing down the street
Got out stories old and new
Need someone to tell 'em to

CHORUS

We don't have to be eye to eye (face to face)
I'm not asking for miracles (or saving grace)
And I don't need another heart (to have and hold)
All I want is a friend I can talk to (soul to soul)
Oh soul to soul (soul to soul)
Mmmmmh

Like an album
On a shelf
Tired of talking to myself
Wishing somebody (somebody) passing by (passing by)
Would pick me up and look inside

CHORUS

We don't have to be eye to eye (or face to face)
I'm not asking for miracles (miracles or saving grace)
And I don't need another heart (I don't need another heart to have and hold)
All I want is a friend I can talk to (soul to soul)
soul to soul Oh (soul to soul soul to soul)
Mmmmmh

Everyone needs someone to turn to
When they walk in their line (got to hold the line)
And we all need a friend we can cry to

And I'm out on the line (I'm on the line)
He..he..

It's been so long now you know I need a li
Aaai,

Oh whoaaaa whoaaaa whoaaa..
Oh my, my, my, my, my, my, my, my, my, my
All I want is a friend I can talk to (woe woe woe woe soul
to soul)
I just call and there you are (soul to soul)
Shining on me like a star (shining down)
Smiling in my direction in the night (oooooh oooooh
oooooh)
And I feel your light yeah (oh oh soul to soul)
I'm feeling stronger now, so much stronger now (soul
to soul)
Won't you shine a little longer, longer right now
I'm still holding the line (got to hold the line) yeah
Keep me holding the line
Oh oh my

CHORUS

We don't have to be eye to eye (or meet face to face)
I'm not asking for miracles (or saving grace)
And I don't need another heart (to have and hold)
All I want is someone I can talk to (soul to soul)
Oh I need a friend right now
(sooooul to soul) *repeat in background till end of song
Someone I can talk to

I'm feeling lonely right now (right now baby)
I just need to know you're there anytime of the day and
night
I need somebody who's willing to listen
Shining, shining, shining, shining so brightly right now
I feel like I'm carrying the weight of the world on my
shoulders
So much soul
Does anyone hear me calling
