Higher, higher

Fire

Don't change your style now that you've reached the top

Don't choose your friends by what they've got

Remember beneath the glitter and gleam

Like everyday people you're just a human being

Superstar, good God

Enjoy your champagne and caviar

And your chauffeur drivin' fancy car

But remember how you got where you are

Oh ho ho, 'cause the same folks that made you

Um hum, you better believe they can break you

No you didn't make it all by yourself

You had help from somebody else

The truth is the light, don't let it depress you

You just be thankful that the good Lord made you

Superstar, ah do you know who your real friends are

Ah, talkin' to you

Superstar, remember how you got where you are

Ah ah down, down, down, down

Drummer keep it going, going

Horns star blowin', right on time blow my mind

Blow my mind

Higher higher, higher higher

It's easy for you to look down

Turn up your nose and frown

Now that you're on top

Top

Bright lights

Don't let the bright lights blind you

Bridge

Don't burn 'em behind you

Superstar, superstar do you know who your real friends
are

Ah, talkin' to you

Superstar, remember how you got where you are

Um hum, um hum

Don't change your style now that you've reached the
top

Don't choose your friends by what they've got

Remember beneath the glitter and gleam

Like everyday people you're just a human being

Superstar, superstar do you know who your real friends
are

Ah, talkin' to you

Superstar remember how you got where you are
