Many a man has gone away  
Many a man has gone astray  
Searching for the treasures of a love that's true  
I'm hoping that my treasure can be you  
'Cause I believe, I believe

The further you look  
(Show love now)  
The less you'll see  
(The less you'll see)  
I'm hoping you'd be the treasure meant for me

I've seen men carry their hopes from town to town  
Trying to track the lost treasures down  
Some find true love before their hopes are gone  
And others lose hope and they have to, yes, now, move  
on  
And I can hear them say as they go down

The further you look  
(You better know that)  
The less you'll see  
(The less you see)  
So I'm hoping you'd be the treasure meant for me

Travel, traveling on  
(Travel, traveling on)  
Wondering if they've done something wrong  
Moving on becoming a rover  
But if you'll be mine, my searching is all over because  
now

The further you look  
(Show love now)  
The less you'll see  
(The less you'll see)  
I'm hoping you'll be the treasure meant for me  
And I know, I know, I know

The further you look  
The less you'll see  
(The less you're gonna see)

So I'm hoping you'd be the treasure meant for me

And I believe, I believe right now  
The further you look  
The less you'll see  
(The less you'll see)
