"The Impossible Dream"

Visit "[The Impossible Dream](#)" on MotoLyrics.com

To dream the impossible dream, to fight the
unbeatable foe, to bare with unbarable sorrow, to run(
where the brave) where the brave dare not go.

To right the unrightable wrong to love here and chaste
from afar. To try when your arms are to weary to reach
the unreachable star(that star above) this is my quest
(this is my quest) to follow that star(to follow that star)
no matter how hopeless, no matter how far, to fight for
the right without question or pause, to be willing to
march into Hell for a Heavenly cause, and I know if I
only be true to this glorious quest that my heart will lie
peaceful and calm when I'm laid to my rest(peace and
quietness you're sure to find)

And the world will be better for this that one man
scorned and covered with scars, still strolls with his last
ounce of courage, to reach oh to reach, to reach the
unreachable star.
