Drop the groove

Time after time
I tell myself that I'm
So lucky to be loving you

Time after time
You'll hear me say that I'm
So lucky to be loving you

So lucky to be
The one you run to see
In the evening when the day is through

I only know what I know
The passing years will show
You keep my love so young, so new

And time after time
You'll hear me say that I'm
So lucky to be loving you
You, you, you baby

Time after time
I tell myself that I'm
So lucky to be loving you

So lucky to be
The one you run to see
In the evening when the day is through

I only know what I know
The passing years will show
You keep my love so young, so new

And time after time
You'll hear me say that I'm
So lucky to be loving you

Time, oh time, time after time
Oh, how lucky am I
Time, oh time, time after time

Oh, how lucky am I

I feel so lucky to be
The one you want to see
In the evening when the day is through

I only know what I know
The passing years will show
You keep my love so young, so new

And time after time
You'll hear me say that I'm
So lucky to be loving you

Time, oh time, time after time
Oh, how lucky am I
Time, oh time, time after time
Oh, how lucky am I

Time, oh time, time after time
Oh, how lucky am I
Time, oh time, time after time
Oh, how lucky am I

Time, oh time, time after time
Oh, how lucky am I
Time, oh time, time after time
Oh, how lucky am I
