"What Becomes Of The Brokenhearted"

As I walk this land of broken dreams
I have visions of many things
'Cause happiness is just an illusion
Filled with sadness and confusion
What becomes of the brokenhearted?
Who had love that's now departed?
I know I've got to find
Some kind of peace of mind, maybe
The roots of love grow all around
But for me, they come tumbling down
Every day, heartaches grow a little stronger
I can't stand this pain much longer
I walk in shadows, searching for light
Cold and alone, no comfort in sight
Hoping and praying for someone to care
Always moving but going nowhere
What becomes of the brokenhearted?
Who had love that's now departed?
I know I've got to find
Some kind of peace of mind, maybe
I'm searching though I don't succeed
But someone else has a growing need
All is lost, there's no place for beginning
All that's left is an unhappy ending
Now what becomes of the brokenhearted?
Who had love that's now departed?
I know I've got to find
Some kind of peace of mind
I'll be searching everywhere
Just to find someone to care
I'll be looking everyday
I know I'm gonna find a way
Nothing's gonna stop me now
I'll find a way somehow
Got to find her, got to find her, got to find her
Oh, I'll be searching
Got to find her, got to find her, got to find her
Oh, I'll be searching
Got to find her, got to find her, got to find her
Oh, I'll be searching
Got to find her, got to find her, got to find her

Oh, I'll be searching
Got to find her, got to find her, got to find her
Oh, I'll be searching
Got to find her, got to find her, got to find her
Oh, I'll be searching
