"What Now, My Love?"

What now my love, now that you've left me
How can I live through another day
Watching my dreams turn into ashes
And my hopes into bits of clay

Once I could see, once I could feel
Now I am numb, so numb, I've become unreal
I walk the night, without a goal
Stripped off my heart and my soul

What now my love, now that it's over
I feel the world closing in on me
Here come the stars, baby, tumbling around me
There's the sky, where the sea should be

What now my love, now that you're gone
I'd be a fool, I'd be a fool to go on and on and on and
on
I know that no one would care, baby, no one would cry
If I should live or die, no one would care, if I should live
or die, oh, oh

What now my love, now that there is nothing
Only my last, my last goodbye
What now my love, what now my love
What now my love
