Are you sophisticated- like me? Point out your name on
the marquee. Put your collar in the air, like it's your
destiny to preserve.

There is a lesson, there is a golden rule. What they say
about being too aloof, it's all true.

What happened boy- did she run away? Feels like it
happens to this boy about once a day. I can't seem to
hold on to the things that are good for me.

What they say about the benefits of truth, it's all true.

People say they look for answers, but all you have to do
is look. Just look in the mirror.

Do you work on intuition? Do you rely on your gut?

When you go out boy, do you make it happen? Do you
stay home, alone?

What they say about the harms of self-abuse- it's all
true
