All of your days, you paint these pictures,
And tell these stories, of clishe heartaches.
What if I gave you something different?
Maybe I could sweep you off your feet...

If all these nights you wait for someone,
To hold you tight, well I've been here.
'Cos when, I gaze into your eyes,
I could live forever in a day,
Forever in a day,
Forever in a day yeah...

Well hold on, it's never over,
Just take a breath, take a step back,
Enjoy the ride,
'Cos I'm falling more in love with you every day yeah.

[Repeat x2]
And I'll count my wishes, I'll think 'em out, I'll write 'em
down,
And all my visions, are something, I see them now,
And I'll write a love song, I'll get it down, but throw it
out,
And live forever in a day.

[Repeat x2]
Well hold on, it's never over,
Just take a breath, take a step back,
Enjoy the ride,
'Cos I'm falling more in love with you every day yeah
