And you say i'm a looker
Because i am your girl
And you say i am stupid
Because i am your girl
You leave me out on the step
You dress me up like a boy
You say that i am your secret love
I want to be quiet, but i want to tell the whole block

I like my neighborhood
I like my gun
Drive in my little car
I am your girl and i will protect you

I like my neighborhood
I like my gun
Drive in my little car
I am your girl and i will protect you

Get into the back of my little car
Pull up my pants and fix my bra
Go on home, go home to your kids
I'm not gonna be quiet and i'm gonna tell the whole
block
