Well that's enough,
I can't take anymore,
I'm right out of vision,
I'm right out of love.

You set me up,
You just knock me down,
What's on your conscience?
Nothing happens in my time.

I'll do graffiti if you Sing to me in French,
What are we doing here,
If romance isn't dead?
Mind your mouth,
As you walk with me,
Take it all,
As you cross the street.

Well that's enough,
I've had it up to here,
I've lost my vision,
I've lost my home.

You work me up,
Just hand me down,
You've lost your conscience
Cos nothing happens in my time.

I'll do graffiti if you Sing to me in French,
What are we doing here,
If romance isn't dead?
Stay in line,
On the foriegn trip,
Waking up,
When I need a lift.

I'll do graffiti if you Sing to me in French,
What are we doing here,
If romance isn't dead?
Stay in line,
On the foriegn trip,
Waking up,

When I need a lift.
