People say we've got it made
Don't they know we're so afraid?

Isolation

We're afraid to be alone
Everybody's got to get a home

Isolation

Just a boy and a little girl
Trying to change the whole wide world

Isolation

The world is just a little town
Everybody's trying to put us down

Isolation

I don't expect you to understand
After you caused so much pain
But then again, you're not to blame
You're just a human

We're afraid of everyone
We're afraid of the sun

Isolation

They say we'll never disappear
The world may not have many years

Isolation
