Let's go back to your house
And finish off the gin.
In your dishevelled room
We're gonna wash ourselves in sin.

Ooh! It's criminal when you whisper in my ear
Let's get clinical the words delivered with a sneer
Let's get clinical.

I'd like to map your body out
Inch by inch
North to South
And I'm free for circumnavigation

Reawaken my delight
Your fingerprints upon my skin
Your voice is twisted; how we sink
Tonight I'll let desire win.

Ooh! It's criminal when you whisper in my ear
Let's get clinical the words delivered with a sneer
Let's get clinical.

I'd like to map your body out
Inch by inch
North to South
And I'm free for circumnavigation

I'd like to map your body out
Inch by inch
Head to toe
Bare ankles used to mean adventure

Last nights dirty lips were wrapped around that glass
Creeping past your flatmates door
The empty bottles on the floor

Ooh! It's criminal
Woah! Lets get clinical

I'd like to map your body out

Inch by inch
North to south
And I'm free for circumnavigation

I'd like to map your body out
Inch by inch
Head to toe
Bare ankles used to mean adventure
With you, they still do
With you, they still do
With you, they still do
