You were born in winter
But summer came too fast
Like a child you can't control
Now isn't it obvious?

But you still value his word
Now that it's not there
A love life down the drain
Now isn't it obvious?

Some people hide their emotions
And some people show too much
I'm aiming for somewhere central
Now isn't it obvious?

He changed his look for you
For you changed your life for him
Now was the verdict worth the trial?

Did we go too far?
Is that why your nose is bleeding?
Last night I dreamt
We kissed on a bench in the evening

What went wrong with you?
I never took you for a fool
But all it takes is a rumor
Now isn't it obvious?

I'd love to clear the air
But I can't bear to hear your voice
It's tainted with his name
Now isn't it obvious?

He changed his look for you
You changed your life for him
Now was the verdict worth the trial?

Did we go too far?
Is that why your nose is bleeding?
Last night I dreamt
We kissed on a bench in the evening

Did we go too far?
Is that why your nose is bleeding?
Last night I dreamt
We kissed on a bench in the evening

I was the one who followed
And you were the one who was leading
When last night I dreamt
We kissed on a bench in the evening
