If I gave you a name, would you live up to it?  
If I gave you a game, would you play up for me?  
If I played with your heart, would you respect me?  
If I came on too shy, would you reject me?

What did I do to you?  
Why does it hurt when I hear your name?  
What did I do to you?  
Why does it hurt when I hear your name?

Pride before a fall,  
none of us is perfect figures.  
Pride before a fall,  
you made me reconsiders.

If I had portioned the blame, could you hold up to it?  
And if I ran out of strength, could you forgive me?  
I looked at you for too long, the other day.  
It was then when I knew, that you weren't the one,  
You weren't the one.

What did I do to you?  
Why does it hurt when I hear your name?  
What did I do to you?  
Why does it hurt when I hear your name?

Pride before a fall,  
None of us have got a perfect figure.  
Pride before a fall,  
You forced me to reconsider.

I looked at you today,  
I looked at you another way.

Pride before a fall,  
None of us are perfect figures.  
Pride before a fall,  
You forced me to reconsider.
