Solarised  
(The overlap)  
A dividing line  
(Dyed glass)

Like a cog  
(Centerpiece)  
Standing still  
(Sewn up)

Follow me down this rope ladder  
Our bodies becoming ships on the sails  
It's a leap of faith, it's a crash landing  
Thin ice softly splinters

Sandblasted and set free  
A trial run on paper  
The earth is solid, you can dig it up  
Or you can pave it over

Balconies  
(Poster)  
Like diving boards  
(Placard)

Naked heels  
(Perspex)  
Cotton reels  
(Creates a spectrum)

Follow me down this rope ladder  
Our bodies becoming ships on the sails  
It's a leap of faith towards a crash landing  
Thin ice softly splinters

Sandblasted and set free  
A trial run on paper  
The earth is solid, you can dig it up  
Or you can pave it over  
Sandblasted and set free  
I fell in love with flirtation

Sandblasted and set free  
A trial run on paper  
The earth is solid, you can dig it up  
Or you can pave it over  
Sandblasted and set free  
The brevity of sensation

I fell in love with flirtation  
The brevity of sensation
