I don't know where I am but I know it's alright.
I don't anyone around here but I'm safe this time.
I don't care where I am but I know it's alright.
I jumped the tracks I can't get back but I'm safe this
time.

'Cause when you tell me stupid things like you do,
Then I have to change the rules,
I can't lose

Cause I shiver, I just break up,
When I'm near you it all gets out of hand.
Yes I shiver, I get pent up,
There's no way that I know you'll understand.

We talk and talk, around it all,
How'd we end up here.
I'm in a rush, if I'd only stop,
And take my time.

Cause with you, I'm running somewhere I can't get to,
Yes I have to change the rules,
I'm with you.

Cause I shiver, I just break up,
When I'm near you it all gets out of hand.
Yes I shiver, I get pent up,
There's no way that I know you'll understand.

If I never saw you again,
Could I keep all this inside?
If I never saw you again,
Could I keep all this inside?

Because I shiver, I just break up,
When I'm near you it all gets out of hand.
Yes I shiver, I get pent up,
There's no way that I know you'll understand.
Cause I shiver, I just break up,
When I'm near you it all gets out of hand.
Yes I shiver, I get pent up,

There's no way that I know you'll understand.

There's nothing wrong with wanting to dance the night
away,
You always looked so clean and tidy anyway.

Underneath you're not well,
What if I was sick like you,
Underneath it all your cheap,
What if I was cheap like you,
