Everlasting depression, this one page
Fleeting tactics, to those eyes
Without supplication, evil in law, connecting toward
prison

Note with deadly poison, harboring fear at earthly
desires
Incessant drool at delusional lies

Judgment, prattling on of crime unification
Who knows how to break the deadlock?

World of acquittal
Words of sanction

An acquired fever, truly "death pirates"
Redeem the game of law

Despair the Billy
Now, morals
Come, unstoppable eraser rain
Despair the Billy
Now, morals
Come, unstoppable eraser rain

Unstoppable eraser rain

Crimson-colored song of destruction
Won't it end?
How long has it been half noise?

Have ya got "that" which lies dormant within society?
Who can overwrite it, the filth of the world?
The earth astir from a chain of annihilation
Master, obliteration, fated self-destruction

World of acquittal
Words of sanction

An acquired fever, truly "death pirates"
Redeem the game of law

Despair the Billy
Now, morals
Come, unstoppable eraser rain
Despair the Billy
Now, morals
Come, unstoppable eraser rain

Unstoppable eraser rain

Love, battle of wits, tension
Egoistically bent sadist
Iron hammer of fragmented evil
Lives snatched away

Saturated with scoundrels, urgent, murder of criminals
Verdict! "Human rights," "trouble," "hatred"
Repentance spilling viscera
Snickering reaper, why this consequence?
Truth, no one knows the misery

"Kira"
We are the "Kira"
My name is "Kira"
Even your "Kira"

"Kira"
We are the "Kira"
My name is "Kira"
Even your "Kira"

Above is carnage of a dark funeral,
Truth-debate-peace-error, regret,
Many thousands of years, pity

Above is carnage of a dark funeral,
Truth-debate-peace-error, regret,
Many thousands of years, pity

Violence, turbulent times, despair and pain

Despair the Billy
Now, morals
Come, unstoppable eraser rain
Despair the Billy
Now, morals
Come, unstoppable eraser rain

Dancin' bloody heart
Love, the thunderous color tone is life
Dancin' bloody heart

Love, the thunderous color tone is life

It's an unstoppable fate, chained race
