Mmm, mmm, mmm, mmm, mmm  
Mmm, mmm, mmm, mmm, mmm  
Mmm, mmm, mmm, mmm, mmm

Baby, I think of you  
Think of you a million times a day  
Baby, I-I cannot  
I cannot get you outside my head  
Maybe I'm crazy  
And if so it's 'cause of you  
All that I know is I belong to you, oh, baby

I want your love, I need your love  
Gimme your love, gimme your love  
Baby, and I want your love, I need your love  
Gimme your love, gimme your love, gimme your love

Baby, I realize  
You could take complete control of me  
I don't care, anywhere  
Anytime is fine, it's cool with me  
Maybe I'm crazy and if so it's all 'bout you  
All that I know is I belong with you, oh, baby

I want your love, I need your love  
Gimme your love, gimme your love  
Baby, and I want your love, I need your love  
Gimme your love, gimme your love, gimme your love

Night after night (Night after night), dream after  
dream (Dream after dream)  
You're there inside of my heart (Inside of me)  
Day after day (day after day), there's no escape  
I want you inside of my arms

Baby, I gotta be  
Gotta be the only one you see  
Tell me, boy, what you need  
I will be providin' everything  
Maybe I'm crazy  
And if so it's all 'bout you

All that I know is I belong with you, oh, baby

I want your love, I need your love  
Gimme your love, gimme your love  
Baby, and I want your love, I need your love  
Gimme your love, gimme your love, gimme your love

I want your love, I need your love  
Gimme your love, gimme your love  
Baby, and I want your love, I need your love  
Gimme your love, gimme your love, gimme your love
