Carved in sand
Your image rape the land
Cut the black rose
Those Hades foes
Fed up on lies
Your pointless alibis
Driven obscured
The pacificator's lured

[CHORUS:]

I've felt the time for a change
In a world of black and white
Hide behind the walls of alienation
Morbid eternal night

Insatiable hate
For a disastrous fate
On your knees for praise
For the master race
Dreadful propaganda
The court's unjust agenda
Prosperity manipulates
In the kingdom of seven gates

[CHORUS]

Obscurum
Immortalis
Dementia
Obscurum

Carved in sand, rape the land
Cut the black rose, those Hades foes
Dreadful propaganda, unjust agenda
Prosperity manipulates
In the kingdom of seven gates

[CHORUS]
