I wanna lose control  
I wanna give my soul  
Wanna taste forbidden fruit  
Wanna face the darkest truth

I wanna be a pleasure slave  
Be the flesh that you degrade  
Desire my body not my mind  
Make me feel like a lesser kind

I wanna suck your deathhead  
Bathe in blood your victims bled  
Im a double runed submissive slut  
A wolfs prey spermfilled cunt

I wanna be a starlet wolverine  
Drink blood spiked with zyklon B  
So come come come in me  
Fill me up with aryan seed
