Hate is the growing fast
Here is no justice here is no justice
Normality under the name of abnormal normality under
the name of abnormal
Disconnected sprout on the mother ground

Only the strong survive only the strong survive

What's your need? what's your need?
Spread know ledge? spread know ledge?
No, I don't think so just because you tell lies no, I don't

Dead soul! dead soul!

People throw their soul and wear hatred people throw
their soul and wear hatred
