"Swords Of A Thousand Men"

Visit "[Swords Of A Thousand Men](#)" on MotoLyrics.com

Deep in the castle and back from the wars
Back with my lady and the fire burned tall
'HOORAH'went the men down below
All outside was the rain and snow

Hear their shout, hear their roar
They've probably had a barrel and much, much more

Hoorah, Hoorah, Hoorah, Yea
Over the hill went the swords of a 1000 men

We had to meet the enemy a mile away
Thunder in the air and the sky turned grey
Assembling the knights and their swords were sharp
There was hope in our english hearts

Hear our roar, hear our sound
We're gonna fight until we've won this town

Hoorah, Hoorah, Hoorah, Yea
Over the hill went the swords of a 1000 men

Instrumental

The knights come along at the end of the day
Some were half-alive and some had run away

But hear our triumph, hear our roar
We're gonna drink a barrel and much, much more

Hoorah, Hoorah, Hoorah, Yea
Over the hill went the swords of a 1000 men

Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yeaaa

Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yeaaa

Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yeaaa

Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yeaaa

Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yea
Hoorah, Hoorah, Hoorah, Yeaaa
