It's been awhile since I've heard you  
It's been awhile since I've shared this love with You  
I've fallen victim now to this life  
By turning to my own ways wisdom and my own advice  
Falling on my knees I cry  
I give up living my life for me and my own ways, so I  
say  
Goodbye to me  
I say goodbye to me

TODAY I give my life to You  
Not these dreams I hold  
TODAY I give my life to You

I can't be selfless by what I know,  
I have to give up and live for you alone  
Falling on my knees I cry  
I give up living my life for me and my own ways, so I  
say  
Goodbye to me

TODAY I give my life to You  
Not these dreams I hold  
TODAY I give my life to You

I start my life anew today  
Got to start my life to a better way  
A better way to say goodbye  
A better way to say goodbye to night  
A better way to say GOODBYE...

NOT TO THESE DREAMS I HOLD
