Don't touch me  
Trust me  
U disgust me  
Try to shove me in your daddys money  
But I'm better on my own, I got some things that I do,  
Betta on my own, I show u how u turn my insides out

Get the hell away from me, it's an emergency,  
Turn me black and blue  
Get the hell away from me all of my friends are free  
I gotta break away from u, oh oh oh oh

Don't push it,  
Your whole shit don't phase me  
U can cut me  
But I wont bleed baby cuz I'm better on my own,  
I got some things that I do,  
Betta on my own, I show u how u turn urself a round

Get the hell away from me it's an emergency,  
Turn me black and blue  
Get the heall away from me all of my friends are free  
I gotta break away from u

Do u remember all we had  
And we loved it  
Such a perfect world  
That we trusted  
Now it's time to let go...

Baby don't touch me trust me, don't touch me  
Baby don't touch me trust me, don't touch me  
Baby don't touch me trust me, don't touch me  
Baby don't touch me trust me, don't touch me

Get the hell away from me, it's an emergency  
Turn me black and blue,  
Get the hell away from me all of my friends are free  
I gotta break away from u  
(Repeat)
