I fuck you, then I leave
And I dirty up your sheets
And then I run
You've come undone

I tell you you're the one
Just long enough to come
You think I'm dumb
You think I'm dumb

When I use you everyday
And you think I'm getting played
But I'm having all the fun

Let's have some fun

I'm not your girlfriend
I don't have to call
I don't wanna need you
I am

Not your girlfriend
You don't have to call
I don't wanna need you
I just want to
I just want tonight

Well I fuck you, then I leave
And I break your knees
Before you run
If I'm not done

I tell you you're the one
Just long enough to come
Who's dumb?

I use you everyday
And you think I'm getting played
But I'm having all the fun

I'm not your girlfriend

I don?t have to call
I don?t wanna need you
I am

Not your girlfriend
You don?t have to call
I don?t wanna need you
I just want to
I just want tonight

I don?t want your number
Well, I don?t want your last name

I don?t want to meet your mother
Unless she?s better or the same

Oh, hit and run, don?t be gun shy
Just until you say goodbye
I?ll be okay, I?ll be all right
I just want you for tonight

I don?t have to call
I don?t wanna need you
I am

Not your girlfriend
You don?t have to call
I don?t wanna need you
I just want tonight

Come and go
Come and go
Come and go
