I want to live in my TV
Where everyone is so happy
I wanna color me pink
Smile at everything
Believe in love so much
It makes me sing la la, la la, la la la

Can you hear me
Everyone is in the sun
But it's raining on me
Everyone is in the sun
But it's raining on me

Rain rain go away
How much more do I have to pay
I said rain, rain go away
There's not much more that I can take

I want the sun to spin and shine me
I'd be brand new and clean and sparkling
I wanna let everyone in be young again
Believe in love so much
It makes me sing la la, la la, la la la

Can you hear me
Everyone is in the sun
But it's raining on me
Everyone is in the sun
But it's raining on me

Rain rain go away
How much more do I have to pay
I said rain, rain go away
There's not much more that I can take
Rain rain go away
There's nothing left for me to say

Everyone is in the sun
But it's raining on me
Everyone is in the sun
But it's raining on me
