Lamb bread
High up deh.
High grade herbs a me smoke an grabba.
Aa knock inna mi head like hamma.
Half of di country load up di challa.
Gwan young smoker no bother follow make ya stagga.
If you pull di chalice like dada you'll drop.
Down inna mud where the hog dem a wallow.
You deh jamaica feel like you deh a panama.
Orange hill go for di weed more than dolla.
Give me herbs till me high up deh.
Right a now yea me high up deh.
Me a frass till me high up deh.
Me a see jesus christ up there.
Right a now me yea me high up deh.
Right a now me yea me high up deh.
Light up di kush.
Me no smoke bush.
Cause the herbs when me smoke that send me go la la

La la la la land.
Smoke till me frass an a laugh along.
Laughing ha ha ha ha ha.
Pari build a spliff yo haffi dadadan.
It hot till kenton cyah draw one.
Herbs when me smoke that send me go la la land.
La la la la land.

Smell say the herb sweet.
High grade, go anywhere inna di world fi it.
Inna me hand me a pick it up like bird beak.
Hot piece a grabba lighta a burn it.
Roll it up in a wizzla.
Weh? white like me girl's teeth.

Naw me make me lungs black.
And exhale
