So hard to hear the smallest voice
That's fighting to be heard above the noise of days
Hard to believe and trusting star
That's shining on us from so far, so far away

And then you take my heart
And I surrender to your sweet care
To love with pride inside
Gives us this sweetness we're sharing

Amazed are we who see, oh, yeah
This love is deeper than the ocean
And who could know, we'd grow
Shining and stronger with devotion

With everyday that's passing we can
Feel and believe we're asking
For dreams we can touch, oh, yeah
And every time I look at you
I start to believe that dreams come true
We've learned so much

And as you take my heart
And I surrender to your sweet care
To love with pride inside
Gives us this sweetness
We're sharing, oh, yeah

Amazed are we who see, oh, yeah
This love is deeper than the ocean
And who could know, we'd grow
Shining and stronger with devotion

With everyday I feel the magic's growing
Our love is like a river warm and flowing
And every morning when I wake beside you
I do believe in love so trusting and so true, Oh, yeah
To love with pride inside
Give us this sweetness we're sharing

Amazed are we who see, oh, yeah
This love is deeper than the ocean

And who could know, we'd grow
Shining and stronger with devotion

Amazed are we, amazed are we
This love is deeper than the ocean
And who could know, we'd grow, oh, yeah
Shining and stronger with devotion
