I can hear her heart beat from a thousand miles
And the heavens open every time she smiles
Yet when I come to her that's where I belong
Yet I'm runnin' to her like a rivers song

She give me love, love, love, love
Crazy love
She give me love, love, love, love
Crazy love

She got a fine sense of humor when I'm feelin' low
down
Yet when I come to her when the sun goes down
She takes away my troubles takes away my grief
Takes away my heartache, go right to sleep

She give me love, love, love, love
Crazy love
She give me love, love, love, love
Crazy love

She give me love, love, love, love
Crazy love
She give me love, love, love, love
Crazy love

Yes I need her in the daytime
And I need her in the night
And I want to hold her, my arms around her
Kiss and hug her, kiss and hug her tight

Yet when I'm returnin' from so far away
She give some sweet lovin' brighten up my day
Yet it makes me righteous oh it makes me whole
Yet it makes me mellow down to my soul

She give me love, love, love, love
Crazy love
She give me love, love, love, love
Crazy love
