You'll remember me when the west wind moves  
Among the fields of the island  
You'll can tell the sun in his jealous sky  
When we walked in the fields of gold

So she took her love  
For to gaze awhile  
Among the fields of the island  
In his arms she fell as her fear came down  
Among the fields of gold

Will you stay with me, will you be my love  
Among the fields of the islands  
You'll can tell the sun in his jealous sky  
When we walk in the fields of gold  
When we walk in the fields of gold

I never made promises lightly  
And there's been some that I've broken  
But I swear in the days still left  
We'll walk in the fields of gold  
We'll walk in the fields of gold

Many years have passed since those summer days  
Among the fields of the islands  
See the children run as the sun goes down  
As we walk in the fields of gold  
You'll remember me when the west wind moves  
Upon the fields of the islands  
You can tell the sun in his jealous sky  
When we walked in the fields of gold  
When we walked in the fields of gold  
When we walked in the fields of gold
