I cry, I cry, listen me keenly
I cry, ah bad boy and wicked man
I cry for my people
I'm talking to my people, watch this

Tell me who are your enemy?
Just type of frienenemy
Tell me who are your enemy?
Just that type of frienenemy

I wanna know just why
A man thinks it's funny dising his idrin
Saying everything leads to money

Where do you go from here?
Won't you make a decision?
'Cause only your friend knows your secret
Only he can reveal them

Tell me who are your enemy?
Just type of frienenemy
Tell me who are your enemy?
Just that type of frienenemy

Slow down a minute let me
Talk to you neatly
'Cause I got something here to say
Won't you listen me keenly?

Why does a smiling face
Never show no traces?
And fool you with their plastic smiles
And their smooth conversations

Tell me who are your enemy?
Just type of frienenemy
Tell me who are your enemy?
Just that type of frienenemy

I wanna know now, yes I do
I wanna know now
My, my, my, my, my, my, my Lord

Dash shi way nah take it back

There with a watchful eye trying to
Trick and deceive you
Despite of all the good you do
They'll be there to deny you

Tell me who are your enemy?
Just type of frienenemy
Tell me who are your enemy?
Just that type of frienenemy

Slow down a minute I
Let me talk to you neatly
'Cause I got something here to say
Won't you listen me keenly?

There with a watchful eye trying to
Trick and deceive you
Despite of all the good you do
They'll be there to deny you

Tell me who are your enemy?
Just type of frienenemy
Tell me who are your enemy?
Just that type of frienenemy
