Just one more chance with you, darling  
Just one more chance

She wrote me her letters, she no longer cared  
But the tears upon the paper said she lied, she lied  
If only I'd listened, if only I'd tried  
Then this house would still have been a home  
Oh, tell me why it took us all so long to realize  
Oh why? It's oh so obvious

Never did say goodbye  
She never stopped to say goodbye, no  
Never did say goodbye  
She never stopped to say goodbye, no

If I could be with you and hold back my pride  
And this love we'll make it bind  
We'll look to the future, remembering the past  
We'll never lose our way again  
Oh, tell me why it took us all so long to realize  
Oh why? It's oh so obvious

Never did say goodbye  
She never stopped to say goodbye, no  
Never did say goodbye  
She never stopped to say goodbye, no  
Never did say goodbye

Just one more chance with you, darling  
How can I survive without a reason to go on?  
My baby's not here to love me  
How can I forget without a reason to go on?  
My baby's not here to love me

Ooh why? Never did say goodbye  
Never turned and said a reason why  
Just one more chance with you, darling  
Just one more chance yeah  
Just one more chance with you, darling

Just one more chance, yeah  
Never did say goodbye

Never turned and said a reason why  
Never did say goodbye  
Never turned and said a reason why

Just one more chance, baby  
Just one more chance, yeah
