You said I look better dead  
Than I do when I'm alive  
Pretty soon there'll be no one left  
Who can claim to have survived

You better lock your doors and windows tightly  
Cause that's me knocking from outside

Undead or Alive, I'll meet you on the other side  
Undead or Alive, I'll meet you there, Undead or Alive

You know you'll be very sweet  
So I'm gonna bite your neck  
When I'm done you won't hardly speak  
Just some jumble gribbleness

You better lock your doors and windows tightly  
Cause that's me knocking from outside

Undead or Alive, I'll meet you on the other side  
Undead or Alive, I'll meet you there, Undead or Alive

You said I look better dead  
Than I do when I'm alive  
Pretty soon there'll be no one left  
Who can claim to have survived

Well, you better lock you doors and windows tightly  
Cause that's me knocking from outside

Undead or Alive, I'll meet you one the other side  
Undead or Alive, I'll meet you there, Undead or Alive
