Down in Honolulu  
Beside the sea  
A naughty strain  
Is haunting me

Just a dreamy hula  
That sweet refrain  
Just makes me quiver, shiver and shake  
And then you do it again

That haunting hula glide  
That creepy sneaky slide  
They're dancing night and day  
To drive their blues away

If on a moonlight night  
You got that hula notion  
Just hold your feet down tight  
And quiver like that ocean

Anita fair to see  
She lives in Waikiki  
It's like that rippling tide  
She does that hula glide

Down in Honolulu  
Beside the sea  
A naughty strain  
Is haunting me

Just a dreamy hula  
That sweet refrain  
Just makes me quiver, shiver and shake  
And then you do it again

That haunting hula glide  
That creepy sneaky slide  
They're dancing night and day  
To drive their blues away

If on a moonlight night  
You got that hula notion

Just hold your feet down tight  
And quiver like that ocean

Anita fair to see  
She lives in Waikiki  
It's like that rippling tide  
She does that hula glide

Down in Honolulu  
Beside the sea  
A naughty strain  
Is haunting me

Just a dreamy hula  
That sweet refrain  
Just makes me quiver, shiver and shake  
And then you do it again
