Visit "[Hula Heaven](#)" on MotoLyrics.com

We could be together
In a little hula heaven
Having dreams of love

So gay and free together
In a little hula heaven
Under a koa tree

Days would be lazy
And sweetly crazy
Skies would grow hazy above

And we'd be all alone together
In a little hula heaven
Over a silvery sea

We could be together
In a little hula heaven
Having dreams of love

So gay and free together
In a little hula heaven
Under a koa tree

Days would be lazy
And sweetly crazy
Skies would grow hazy above

And we'd be all alone together
In a little hula heaven
Over a silvery sea

In a little hula heaven
In a little hula heaven
In a little hula heaven
Having dreams of love
