Are you ready?)
(Are you ready?)

I don't even know how to love you
Just the way you want me to
But I'm ready to learn
Yes, I'm ready to learn
To fall in love
To fall in love
To fall in love right now

I don't even know how to hold your hand
Just to make you understand
But I'm ready to learn
Yes, I'm ready to learn
To hold your hand,
Make you understand
To hold your hand right now

I don't even know how to kiss your lips
At a moment like this
But I'm gonna learn how to do
All the things you want me to
(Are you ready?) Yes, I'm ready
(Are you ready?) Yes, I'm ready
To hold your hand,
Make you understand,
To fall in love right now

Ooooooh

(Are you ready?) Yes, I'm ready
(Are you ready?) Oh, I'm ready
(Are you ready?) I'm ready
(Are you ready?) Oh, I'm ready

(Are you ready?)
