You gave I King James Version  
King James was a white man  
You built I dangerous weapon  
To kill I own black man  
You sold the land God gave I  
And taught I to be covetous

What other wicked things  
Have you got in mind?  
Tell me, what are gonna do  
To stop these daily crimes?

Bring back Macabee Version  
That God gave to black man  
Give back King James Version  
Belongs to the white man

Black man, get up, stand up, find your foot  
And give black God the glory  
Black man, get up, stand up, find your foot  
And give black God the glory, yeah

You suffer I and you rob I  
You starve I then you kill I  
But what are you gonna do  
Now that your sword have turn against you?

Black man, get up, stand up, find your foot  
And give black God the glory  
Black man, get up, stand up, find your foot  
And give black God the glory

Bring back Macabee Version  
That God gave to black man  
Give back King James Version  
That belongs to the white man

Black man, get up, stand up, find your foot  
And give black God the glory  
Black man, get up, stand up, find your foot  
And give black God the glory
