People run, come, look ya see why me neva
See me neva see a baldheaded Rasta yet

Dat deh one seh him wi' see you in the Iwa
Everyone claims them a Rasta now

Every man wan' go a Zion
Every man claims them righteous
Some a beat down Babylon
Everyone riding Rasta Bandwagon

This is a message from JAH
To all the imitation Rastaman

White men wan' go a Zion
Di Chine' wan' go a Zion
Di Syrian wan' go a Zion
Everyone riding Rasta Bandwagon

If a see a Chine' Rastaman
Never see a clean face crew face
Mi never see a Rasta Babylon
Everyone claim dem a Rasta now
