If that's all, I'll be on my way.
I never cared, isn't that what you'd say?
So I'm wrong, yea well what's new?
I could never live up to these standards.
So I'll call you again, 'cause I know when
there's blood I'll never hear the end.

'Cause I'm broken for sure and I like it this way.
I've got too much time to try to make this ok.
I can't breathe through the smoke, and my lungs feel
the pain.
If you're leaving, that's fine, just don't leave me this
way.

I can't seem to figure this out.
'Cause every single word I speak and I breath and I
leave won't come out right.

'Cause I'm broken for sure and I like it this way.
I've got too much time to try to make this ok.
I can't breathe through the smoke, and my lungs feel
the pain.
If you're leaving, that's fine, just don't leave me-

And I could say so much. x2
But I won't. x10
And you hair won't stop falling on me.
And I can't breathe, love, is that what you want? x2
