Don't need no round of applause,  
Standing ovation.

I look so dumb right now  
Standing outside your house  
Baby I apologize,  
I'm sorry I made you cry.  
Please, won't you come out.

[Chorus]

I can say I'm sorry, you say not.  
Baby you just think I'm only sorry I got caught.

I put on quite a show  
Thought I had you going  
I don't want you to go  
Curtain's can't be closing  
This is not a show  
Baby, I'm not playing  
It can't be over now  
Girl, I won't take a bow

Look at all my clothes on this lawn (Baby girl, I know)  
You turned those sprinklers on  
But girl, I love you, you're the one  
I messed up, more than once {Baby please}  
Don't throw me out

[Chorus]

I can say I'm sorry, you say not  
Baby you just think I'm only sorry I got caught.

I put on quite a show  
thought I had you going  
I don't want you to go  
The curtain's can't be closing  
This is not a show  
Baby I'm not playing  
It can't be over now,  
Ain't gonna take no bow.

What's my reward for

Just telling the truth  
Baby won't you believe  
that's a broken leaf  
Faithful(faithful baby)

Oowhhhhhhhh

Don't need a round of applause {Baby}  
Cause aint no reason to break up {Break Up}

[Chorus]

I put on quite a show  
Thought I had you going  
I don't want you to go  
The curtain's can't be closing  
This is not a show  
Baby I'm not playing  
It can't be over now  
I won't take no bow

Girl I won't take a bow.
