I remember way back
When we was together
I had a part of you
Was over
We was chillin whatever
You spin some bottles
And you told me
That you'd never
Say never
And I knew forever
Than I was
Your brotheran
I began to call you
I was handing my posts
I know some others
Try to follow ya
You was feeling remose
Conversation of you
You was diggin'
In close
Sophisticated aproche
The way
You greated my toes

Count to three
And said come on
Round the trees
And head for home
Stay off
Mr. Johnson's lawn
I'll call you
When my daddy's gone
Count to three
And said you've grown
Clicked your heals
And hurried on
Stay off
Mr. Johnson's lawn
I'll call you
When my daddy's gone
Now come on

Outside
The Brigg's hall
I asked
If I could
Take you walkin'
You said
That the neighbors talk
Come on now
Your all grown child
I'm tryin' my kisses on
But you
Won't believe me no
You said leave me alone
New thing called
The grizzley card
Cause you just John Deer
Right on time with

Count to three
And said come on
Round the trees
And head for home
Stay off
Mr. Johnson's lawn
I'll call you
When my daddy's gone
Count to three
And said you've grown
Clicked your heals
And hurried on
Stay off
Mr. Johnson's lawn
I'll call you
When my daddy's gone
Now come on

Say hey ma
Like
What you say ma
Any time
That you want
To play
It's a game ma
We can get it
Out of the way
If you say ma
Say that's
A nice lot rather
Rather nice lot
You go flyin'
And I'm yo co pilot

You wrote tryin'
And I'm gonna
Co sign it
I don't mind
If you don't mind it
Your my kind
And I'm on fire
I remember way back
When we was together
You was a hard time
Comming around
Baby whatever now
You take me
To candyland
All the time once
And a while
We operate down
To play monopoly
Then we drank
On some funky wine
You was so fine
Not at all mine

Count to three
And said come on
Round the trees
And head for home
Stay off
Mr. Johnson's lawn
I'll call you
When my daddy's gone
Count to three
And said you've grown
Clicked your heals
And hurried on
Stay off
Mr. Johnson's lawn
I'll call you
When my daddy's gone
Now come on
Now come on
Now baby come on
Come on
Baby come on

Baby come on
Baby come on
Come on
Come on
Come on
All day long

And I say Lord
And I say Lord
And I say Lord
