Sanctuary (Terrence Howard)

Living like casanova was living,
Feeling unsure but no one was missing and
you call; you wanted me
Headed out on to war I was restless
Really can't count for more than you're
blessed with and
you call; now you count on me

I said now it's all right,
If part of your life you been a runaway

Now it's all right if,
part of the time
you've been looking for me

uh-huh, uh-huh, uh-huh
uh-huh, uh-huh, uh-huh

Been a lot of casanovas you dealt with,
Lights on the door but its empty
and you call, now you wanted me
life isn't simply the (tastin?)
all seems so sure when you're wasted and
you called, now you count on me.

I said Now it's all right if
part of the time,
you've been a runaway

Now it's all right
if part of your life
you've been looking for me

uh-huh, uh-huh, uh-huh
uh-huh, uh-huh, uh-huh

Living like casanova was living,
Feeling unsure but no one was missing and
you phone; now you count on me

I said Now it's all right,
if part of your life
you've been a runaway, runaway
Now it's all right if,
part of the time,
you've been looking for me

uh-huh, uh-huh, uh-huh
uh-huh, uh-huh, uh-huh

Hold me don't you cry. It's a
long way down; up real high
Hold me; don't be scared
come home now, be right there for you
