Somebody's knocking should I let him in
Lord it's the devil would you look at him
I've heard about him but I never dreamed
He'd have blue eyes and blue jeans

Well somebody's talking he's whispering to me
Your place or my place well which will it be
I'm getting weaker and he's coming on strong
But I don't wanta go wrong

He must have tapped my telephone line

He must have known I'm spending my time alone
He says we'll have one heavenly night
My fever's burning so he ought to be right at home

Somebody's knocking should I let him in
Lord it's the devil would you look at him
I've heard about him but I never dreamed
He'd have blue eyes and blue jeans

He must have tapped my telephone line
He must have known I'm spending my time alone
He says we'll have one heavenly night
My fever's burning so he ought to be right at home

Somebody's knocking
Somebody's knocking
Somebody's knocking
