Mutilation! Elevation! Strangulation! Fearless nation!
Molestation! Irritation!
Everytime I kill there's a bomb in my head!
Pure frustration! Irritation! Suffocation! Incubation!
Fucked relation! Malefication!
Everytime I race there's blood on my face!
Mutilation! Elevation! Strangulation! Fearless nation!
Pure frustration! Suffocation! Incubation! Fucked
relation!
Burnout in blood! As we're devastating your town!
Bloodbath Hollywood! Burnout in thy blood!
I'm moving faster than the night
Are you talking to me 'cause there's no fright
I'm speeding towards my fate
This is my game, this is my hate
On this path I won't survive
Bite the dust and surely die
There's no meaning to go on
Fuel my fire, burn my gun
Burnout in blood! As we're devastating your town!
Bloodbath Hollywood! Burnout in thy blood!
Mutilation! Strangulation! Fearless nation! Pure
frustration! Suffocation! Fucked relation!
Burnout in blood! As we're devastating your town!
Bloodbath Hollywood! Burnout in thy blood!
