I'm the devils spell on the world  
When I take your life I'll be head  
I can't restrain my will to kill  
I'll walk you through the gates where your own hell  
awaits  
So come along with me to the slaughterhouse  
supremacy  
I'll haunt you down with the name that I bring  
In the house of dead - let the bells ring!  
I always feel the need to slave  
Your time will be near and I will be here  
You'll feel the pain too, when I chainsaw you!

I'll walk you through the gates where your own hell  
awaits  
So come along with me to the slaughterhouse  
supremacy  
Bring back this chain of me, you stand alive  
Killed by Åza quest, all rewinded back to my soul

Hey! [x2]  
*I'm the menace of brutality*  
Hey! [x2]  
*Your blood's running down th drain*  
Say! [x2]  
*How does it feel, you spineless creep?*  
Say! [x2]  
*Am I in too deep?*

*I will carve out your eyes to justify my lies*  
*I'll be like the beast*  
*Make you up to the feast*  
*You know by the name of terror*  
*I puke on the human error*  
*I Glumslov har vi en VVS-butik*  
*Kop den sa blir du rik*  
*Ga och bada pa stranden*  
*Men hall din mamma i handen*  
*Fiska al i Sundvik-dar hittar du ingen sik*  
*Snacka skit med Pidde Gassing*  
*Jag ar sa javta dassig!*
