Doug Riley: Piano and Clavinet

april in Toledo / talking to myself / talking to myself
she's hiding out in Lake Louise / says she's taking a
break from my face

C--i'll run i'll run to Niagara / i'll hide i'll hide in the dark
she wouldn't have me for conversation no more
her last destination was out of town

these letters from Lake Louise / sound like damn
DIARIES of a winter freeze

hey i'll sing this out my window

say i'll treat you good / then i'll treat you better--C
