(M--Mitchell; L--DuBois)

In context of the stars / u point at my point right
U reflect off my sunglasses / waiting for the moon on a
tight night

In context of the sun / zero degrees is where we start
U grind on my gass pedal / red line earth clutchin' my
hear

In context of the moon / u pull to my full height
We black out during the eclipse / jelly roll on a comet
kite

Out of the day into the night
Catchin' the heat and the ride beat

Ooo la la well ooo la well

U says

There's nothing to do

I says

Th

At's during the day

U says

Aren't we having fun

I says

The night's not yet won

U says

The feeling will be

Ooo la la well oo la well
